President's Message 2010

by **JoAnne Eaton-Morriss, President**

It's hard to believe the 2009-2010 season is coming to a close. Thank you, members, for all the work you've done to make this our most successful year ever! I will miss you and all our delightful Guild activities over the summer.

Our last Guild meeting is "High Tea on the Harbor," organized by **Eileen McDermott**, Second Vice President, with **Cynthia Duval** presenting "The Art of Tea." Don your hats for our farewell event with special guests and announcements.

Many thanks go to **Eileen McDermott** for a year of interesting and informative programs.

The recent events. . . "Sundaes on Sunday" and the "Excursion to St. Augustine". . . were enjoyed by many people. We expect that The Regal Ladies will have a great time on the cruise and our final fundraiser, the "Caribbean Condo Party" will be terrific.

Be sure to see the "Reflections" exhibit (closing on May 17th), the largest collection of Florida Art, 1865-1965. . . it is exquisite! This is the collection owned by **Cici & Hyatt Brown**.

Our job as Guild members is to promote the Museum to the community, bring in new members and volunteer for the fundraisers. Please sign up NOW for the Halifax Art Festival and Festival of Trees.

Kay Brawley and her fund-raising committees have a year full of special events planned for 2010-2011. Return in September refreshed, and full of energy and enthusiasm, for an exciting season.

GREAT NEWS! The museum received the \$1.6M ECHO grant from Volusia County to help with the \$6M project to rebuild the west wing of the Museum destroyed by the 2009 flooding.

HAVE A WONDERFUL SUMMER!

Thank You Members

Many thanks to all members who attended our General Meetings this past season and made our presenters feel so welcome and appreciated. And according to our Membership Chair, **Liane Buix**, we had more attendees this year than last, and we welcomed many guests . . . several of whom became new members.

Art is not just what is put on canvas or paper, or sculpted into form, or erected as architectural wonders. Everything we do to improve or inform our world, the personal contributions or creations that have a positive impact on our lives and those of our fellow man, is art in its most basic form . . . *life is art*.

Our programs this season have followed this theme. . . whether it was learning about new methods of cooking, seeing how to turn one's life experience into an engrossing book, understanding how an artist comes up with an idea to create something fresh and original, appreciating how a woman born into slavery was able to express herself through poetry, exploring new techniques to enhance one's appearance with cosmetic surgery, or becoming more knowledgeable about our state's colorful and fascinating history. And in a couple of weeks, we will learn about "The Art of Tea" at our final meeting of the season. You won't want to miss this lovely event!

Next season, we will be following the same theme. . . life is art. . . with some interesting and creative new programs. So be sure to put the General Meeting on your calendar for the third Tuesday of each month. We would love to see you at 10:00 AM for the social part of our meetings where you can renew old friendships, meet new members, sign up for some of our terrific events, and enjoy the delicious goodies prepared by our Hospitality Committee. I will personally look forward to seeing each of you in the fall. . . and have a great summer!

MINUTES OF THE REGULAR MEETING OF THE MUSEUM GUILD, April 20, 2010

The meeting was called to order at 10:45 AM by President JoAnne Eaton-Morriss, the Secretary Pro-tem being present. The President introduced Pat Thayer, in the absence of Elsa Weideman, who gave the Thought for the Day. New members and guests were asked to introduce themselves and welcomed. The president called on First Vice-President, Kay Brawley, to give her report.

She said the guild has made \$57,000. so far this year and thanked members who have worked and attended all the fundraisers. She told about the events the fundraising committee had planned for 2010-2011 and each of the chairmen. Doreen Armstrong spoke about the Halifax Art Festival and said there was a meeting following our regular meeting. Gloria Keay, Artist Contact for HAF, said her job is not hard and is fun and encouraged someone to shadow her. Pam Quillian said that 38 women were going on the Regal Ladies Cruise. She also told about the trip to St. Augustine.

Second Vice-President, Eileen McDermott, introduced the speaker, Suzanne Heady, Director of the Halifax Historical Society, who spoke on "Florida Before Air-Conditioning."

Cathy Bauerle, Co-Chair of the Festival of Lights, said that two meetings would be held in the museum library on May 11th and 25th at 1:30 pm and asked for more volunteers. Gloria Keay spoke about the calendar project, modeled after the English one—"naked" in good taste. The president thanked Diane Clarke, Hospitality Chair, and her committee for the refreshments. Liane Buix, Membership Chair, said that dues should be paid by May 31st in order to be listed in the directory. She said that she had enjoyed being Membership Chair, but would be retiring this year. Mary Teasley, Orientation Chair, invited new members and their sponsors to the New Members Tea on April 22nd from 1:00-3:00 PM. Bonnie Bennett and Kandis Hills are the hostesses. Ruth Snyder, Long-Range Planning Chair, said there would be a four hour meeting for anyone interested on May 12th at 12:00 PM, so bring lunch.

The President recommended that everyone see the "Reflections" exhibit before its closing on May 15th. Eileen McDermott told us about the next meeting on May 18th from 2:00-4:00 PM. It is a "High Tea at Sunset Harbor" Yacht Club with Cynthia Duval speaking on the "Art of Tea". There will be a three-category hat contest, judged by professional hat maker, Trish Hadley. There will be a raffle of jewelry (members donate nice items that they no longer wear). Donna Mauricio is in charge and is also taking reservations for \$25.

The meeting was adjourned at 12:12 PM.

Respectfully submitted,
Ruth Bon Fleur, Secretary Pro-tem

Guild Fund Raising Events

What Are the Personal Benefits of “Do-Gooding” for the Guild of MOAS and Your Brain?

According to the 3/12/10 *Real Age* publication, if you are a “Do-Gooder,” then chances are you’ll stay sharp as a tack as you age. Their research indicates volunteering in a social setting can help reverse or delay declines in brain function that happen with aging. . . could it be that’s why we have such sharp members of the Guild?

Volunteering fits the bill on many fronts for the Guild of MOAS fund-raising projects: Halifax Art Festival, Festival of Lights, Artful Interludes, and special projects, e.g., the highly successful “Not Just Another Pretty Cake” cookbook. These events and projects help challenge the decision-making capacity of your brain to think critically and learn new things. They also create a social venue for many of us (also good for the brain) as well as a little fun and laughter. Most importantly, getting actively involved in a good cause for MOAS can add meaning and a sense of purpose to your life. . . all good things for mental well-being.

How can you get your “Good Deed” on? Join the fund-raising project committees: the Halifax Art Festival; the Festival of Lights, and the Artful Interludes which includes parties, seminars, bus excursions, cruises, and special projects, e.g., the exciting new Calendar of Photography (you’ll hear more soon on this project from Gloria Keay). Or simply send your ideas, or interest in hosting an event, to me via email: kbrawley@mindspring.com, or phone 386.322.4512.

So do your brain a favor and find a volunteering effort within the Guild of MOAS that captures your interest and passion. At the same time, pat yourself on the back for all of your hard work which resulted in accruing \$57,792.96 thus far for 2009-2010. Here’s to another record year for the Best of Guild Fund-raising efforts for MOAS in 2010-2011!
