A "Tasteful" Affair

Saturday, October 3rd • See Invitation Inside

The President's Corner

by JoAnne Eaton-Morriss, President

Excitement is in the air! It's going to be a great season for the Museum of Arts and Sciences Guild.

I look forward to working with a very capable group of officers and Board members. Their committees have arranged great events for the Guild members to get involved with during the 2009–2010 season. The monthly programs are very unique and interesting, with music and art during the social for your pleasure—the Artful Interludes, and the new Artful Seminars, promise to be entertaining and educational. These programs are enticing and will whet your appetite!

The main goal of the Guild is to raise money for the Museum. After the devastating flood in May, our participation and contributions are needed more than ever. There is a place for every member to help with each of our fundraising activities, especially our two biggest fundraisers: the Halifax Art Festival and the Festival of Lights. Contact the Committee Chairs to see where they might be able use your assistance. To top it off, we want everyone to help with cookbook sales for our new Guild Cookbook.

We are grateful to have many talented and dedicated members in the Guild, and there is a niche for everyone. So support the activities and events planned for your enjoyment in the coming year. And start with planning to attend the Mt. Dora Excursion. . . it's going to be a lovely day with plenty of time for antique shopping with Cynthia Duval. Make your reservation soon!

Festival of Lights Exhibit November 23rd through December 6th • 9:00 am – 5:00 pm

At the September 15th Guild General Meeting, "Signature" trees and wreaths will be available. Marilyn Maloney will be holding a workshop after the meeting to help with tips for putting the lights on, decorating and easy bases for your trees.

Also, we are starting a new tradition this year. We will be doing a 7½ foot Guild tree that will be decorated with ornaments and lovely bows donated by members. Please bring your new, or lightly used, contribution to the September or October meeting. These special ornaments and bows will be sold the night of the gala.

We need names of people you know. . . new contacts to buy our trees. . . that would not be on our mailing list for the Gala. This year we are doing something innovative for those that want to participate and help the Museum, but do not need a tree. Buy a tree and gift it to a charity (we will have a list of local charities). We will put your name and the name of the charity on your tree. And please help us find Tree Sponsors. The Parliamentarian, by Ruth Bon Fleur

Roberts Rules of Order is based on democratic principles. There are 10 rules that define this: #1) The members rule through a decision-making process that they've established by a vote. Thus, contrary to some belief, the power lies with the member, not the elected officers. So you, dear member, are in charge! Be a good member and help your elected officers. Stay informed and speak out. Rule #2 next month.
